

# NEXTGEN NETWORK GRANT APPLICATION

## BACKGROUND:

The NextGen Giving Network is a network of emerging philanthropists that caters specifically to the needs and giving aspirations of members aged 18 to 50. Members of this network have been given the opportunity to vote on an area of focus in the community in which to designate their membership donations.

We would like to invite your organization to apply for a grant of up to \$3,000. Please note that there is not a guarantee for funding. The NextGen Giving Network will make funding recommendations to the BCF Board of Directors for approval.

Grant awards may be given to projects that meet the following requirements:

1. A grant may be awarded in support of projects or programs that benefit Barry County Residents. These funds do not support capital campaigns, endowment campaigns, and fundraising events.
2. Preference will be given to proposals that provide community impact and promote community culture and engagement.
3. To be eligible, applicants must be (or be associated with) a 501(c)(3) or municipality group located in Barry County.
4. If your project is awarded the grant you will be required to submit a summary of completion explaining how the grant dollars were used along with photos to be publicized.
