ANNUAL REPORT SNEAK PEEK
The Generous Soul of our Community

Sometimes looking back is an exercise of pure joy when you realize the number of people who are touched in many different ways.

These stories about the amazing people of our community, who’ve invested their treasures in improving the lives of others are highlighted in this report.

From the inventor, Emil Tyden, whose legacy is a $24,000 scholarship for anyone whose education takes them on a similar path. Or, brave community members who gather to share courageous conversations, build connections with their neighbors, and find out how much we all have in common when we listen and learn from each other.

There is a fantastic amount of information in our annual report, but most important are the rich stories and experiences of our community from the past, present, and future. Available online at BarryCF.org/about-us/annual-reports in December.

IMPROVING LIVES AT HOME
$1.4 Million in Giving

It’s not just how much is given to our community in the form of grants, it is making sure those gifts deliver a more vibrant community.

With a focus on providing opportunity and prosperity for all residents, these funds support health care, education, arts, environment; as well as providing basic needs and safe, affordable housing for all our neighbors.

GIVING OF TIME & TALENT
BCF Board Provides Vision and Passion

Taking time to help guide and shape the Foundation, the BCF’s board has much to celebrate this year. Ever mindful of making our community a great place to live, work, and play; this dedicated team uses their experience and energy to make a difference in this world.
